## EDUCATION

---

**Bachelor of Engineering in Computer Science** 2020 – 2024 | Bengaluru, Karnataka  
(CGPA: 7.3)

*Global Academy of Technology*

**Pre-University (72%)** 2018 – 2020 | Bengaluru, Karnataka

*Vidya Mandir IND. Pre-University College*

## PROFESSIONAL EXPERIENCE

---

**Techciti Technology** Oct 2023 – Dec 2023

*Front-end developer - Intern*

- Developed a web-based platform for accurately forecasting airfare prices by accurately predicting airline ticket prices in real-time, contributing to improved decision-making and customer satisfaction.
- Utilized machine learning algorithms to predict airfare prices based on various input features. Skills-Python, Django, Html, CSS, JavaScript.

## PROJECTS

---

### **Categorization of Plant Leaf Diseases Using CNN**

- Developed a convolutional neural network (CNN) model to accurately categorize various plant leaf diseases.
- The system processes leaf images to detect and classify diseases, aiding in early diagnosis and treatment.
- Enhanced the precision and recall of the model through extensive training and validation using a large dataset of labeled leaf images.

### **Movie Finder.**

- Developed a movie finder web app using HTML, CSS, and JavaScript.
- Added Features like search, wishlists, and user authentication.

### **Estate website**

- Developed a dynamic full-stack house listing website using HTML, CSS, and JavaScript for the frontend and MongoDB for database management, providing seamless property search and filtering functionality.
- Implemented a responsive user interface ensuring compatibility across devices.
- Integrated MongoDB for backend data storage.

## SKILLS

---

**Languages:** Python, C, SQL, HTML, CSS, JavaScript.

**Database Management:** DBMS, MySQL.

**Data Analytics:** Tableau, MySql, MS Excel.

**Soft Skills:** Communication, Management, Leadership, Adaptability.

## CERTIFICATIONS

---

**TechA Data Visualization using Tableau Developer Certification:** Infosys Springboard

**Data Science Foundation Certificate:** Infosys Springboard

**IBM Introduction to Cloud Computing:** Coursera

**Agile Scrum Certification:** Infosys Springboard

**Building a Big Analytics Stack:** Infosys Springboard
